

Agenda
CFI Meeting #4
10-22-09

- I. CFI Calendar for 2008-09 (Draft – v. 2.0)
 - A. Review this draft of the CFI Calendar.
 - B. What should be added, removed, or modified?

- II. CFI Mission Outline for 2008-09
 - A. Review the Mission Outline.
 - B. What should be added, removed, or modified?

- III. Curricular Calendar
 - A. How can we get the most possible information about school curricula for the weekly curricular calendar?

 - B. Can we ask APs to collect curricular information at the November 16 department conference?

- IV. Expertise Directory
 - A. Can we ask teachers to list two areas of expertise on a paper that will be returned during a faculty conference?

 - B. How can we use Web counter to assess the success of our own online projects?

- V. Prepare for next week's meeting when we familiarize next week's special guests (Mr. Hawrylczak, English Teacher Team, and the Math Teacher Team) with the Inquiry Process so that they can use the online interface and upload required information no later than November 25.
