

Agenda
CFI Meeting #7
11-12-09

- I. Reviewing our plans - CFI Calendar for 2008-09 (v. 2.0)
 - A. Review this draft of the CFI Calendar.
 - B. What should be added, removed, or modified?
 - C. How can we prepare for tasks ahead?

- II. Cross-curricular collaboration/Technology – New Online Teaching Tools
 - A. How can we quickly make a helpful curricular calendar?

 - B. Can we ask APs to collect curricular information at the November 16 department conference?

 - C. Can we ask teachers to list two areas of expertise on a paper for the expertise directory?

 - D. Should we create online forms on the Web site to allow for greater teacher engagement? What sort of information would we collect that would be useful to students and faculty and pertain to our School Goals?

- III. Teacher Teams – Supporting the Teacher Teams
 - A. How can we help Teacher Teams if they have questions about following the Inquiry Process?

 - B. Can we meet more regularly with the member of the Teacher Team working on vocabulary? When will we flag the fifteen involved students?

 - C. How many members of the Teacher Teams want to share information about their experiences doing Inquiry Work?
