Monday, Nov 30	ART STUDIO
Wednesday, Dec 2	VOCAL STUDIO INSTRUMENTAL STUDIO

The 25th Anniversary of LaGuardia Arts High School is a cause for celebration of our unique and successful way of educating young artists. Our festival will span four days and will give teachers and students the opportunity to share their passion for the arts.

Students, faculty, and staff will enjoy performances and presentations in the Little Flower Theater. Many studio teachers have also agreed to open their classroom doors to facilitate inter-visitations and encourage further collaboration within LaGuardia's community.

HOW CAN VISITING TEACHERS SIGN UP? We invite all teachers to take their classes to see any of the showcased offerings. Please read this brochure to see what is available and take advantage of this opportunity!

NOTE: Some studio classrooms are not large enough to accommodate an entire class of visitors. Teachers may need to divide their classes into small groups that will enter the class one group at a time.
